

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION)	
OF CERISTAR, INC. FOR A CERTIFICATE)	CASE NO. GNR-T-03-7
OF PUBLIC CONVENIENCE AND)	
NECESSITY)	ORDER NO. 29373
)	

On January 24, 2003, CeriStar, Inc. filed an Application with the Commission for a Certificate of Public Convenience and Necessity ("CPCN") to provide facilities-based and resold local exchange telecommunications services in Idaho. Staff completed its review of CeriStar's Application on March 25, 2003 and requested CeriStar clarify items in the Application and make changes to the illustrative tariff. When Staff received no reply, Staff inquired on May 8 about the status of CeriStar's response. The Company's consultant told Staff that the consultant would notify Staff when CeriStar responded. After receiving no further communication from the consultant or the Company, on September 22 Staff sent a letter to the consultant and the Company requesting a response by October 17. Staff advised that it would seek dismissal of CeriStar's Application if the Company did not reply by October 17. Because CeriStar did not respond, Staff recommended that the Commission dismiss CeriStar's Application in this case without prejudice.

Based on these facts, the Commission finds it reasonable to dismiss CeriStar's Application for a CPCN without prejudice.

IT IS HEREBY ORDERED that CeriStar, Inc.'s Application for a Certificate of Public Convenience and Necessity is dismissed without prejudice.
